

## DIRECTIONS FROM MK STATION

Walk out of the station, turn left and walk alongside the office building.

- When you get to the end of the office building turn left and there should be some stairs on the left 20m in front of you down to a car park.
- At bottom of stairs bear right and walk up the car park.
- Go all the way to the end of the car park and on the left side take the footpath.
- At the end of the footpath turn left and continue. (You should walk over the railway/dual carriageway).
- At the end of the footpath bear right and on the right is Brignell Croft.
- Walk down the close to the end and there is a footpath which leads to Bradwell Road.
- Turn right at the end and walk under the road bridge.
- You should now be able to see the Badminton Centre on your right.

Sounds a little complicated but it really isn't.

It will probably be a 20 minute walk or 10 minutes by car or taxi.
